NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2014-0089]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the *Federal Register* under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR Part 81, "Standard Specifications for the Granting of Patent Licenses."
2. *Current OMB approval number:* 3150-0121.
3. *How often the collection is required:* Applications for licenses are submitted once. Other reports are submitted annually or as events require.

4. *Who is required or asked to report:* Applicants for and holders of NRC licenses to inventions covered by patents or patent applications.
5. *The number of annual respondents:* There are no anticipated respondents to this collection over the next three years.
6. *The number of hours needed annually to complete the requirement or request:* 0 hours. No applications are anticipated during the next 3 years.
7. *Abstract:* As specified in Part 81 of Title 10 of the *Code of Federal Regulations*, the NRC may grant non-exclusive licenses or limited exclusive licenses to its patent inventions to responsible applicants. Applicants for licenses to NRC inventions are required to provide information which may provide the basis for granting the requested license. In addition, all license holders must submit periodic reports on efforts to bring the invention to a point of practical application and the extent to which they are making the benefits of the invention reasonably accessible to the public. Exclusive license holders must submit additional information if they seek to extend their licenses, issue sublicenses, or transfer the licenses. In addition, if requested, exclusive license holders must promptly supply to the United States Government copies of all pleadings and other papers filed in any patent infringement lawsuit, as well as evidence from proceedings relating to the licensed patent.

Submit, by **(INSERT DATE 60 DAYS AFTER PUBLICATION IN THE *FEDERAL REGISTER*)**, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
